IN SUPPORTING LAZARUS COMMUNITY CENTRE

The Foundation hosts an annual Charity Golf Day to support an issue and/or organisation that is important to the Foundation. This event is an opportunity to raise funds and is also a platform to increase awareness among our business partners about the Foundation's impactful work within the communities where we live and work. This year, our focus is on supporting Lazarus Community Centre. Lazarus serves as a beacon of hope for persons experiencing homelessness and social isolation, offering a safe haven during the daytime.

They provide access to essential amenities such as hot meals, showering and laundry facilities, clothing, and recreational activities. Furthermore, the Centre provides a vital space for fostering connections and a sense of belonging 7 days a week.
