3RD ANNUAL

CHARITY GOLF DAY

BENEFITTING

Charity auction, raffle and golf prizes with all monies raised going towards programs that support Geelong families and individuals in crisis by providing meals and connections.

PLEASE JOIN US

IN SUPPORTING BAY LEAF COMMUNITY KITCHEN

Each year the Foundation hosts a Charity Golf Day to benefit an organisation and/or issue important to the Foundation. The Day also provides an opportunity to raise awareness with our many business partners about the Foundation and the work it does in the places where we live and work.

This year's event will benefit Bay Leaf Community Kitchen. Bay Leaf Community Kitchen supports families and individuals impacted by health, financial or emotional crisis by providing meals, conversations and positive interactions. The combination of a meal on the table, food in the pantry, a visit from a friend and a listening ear on the end of the phone line, brings emotional stability, financial relief, and nutritional support. By providing the best quality food delivered with love and dignity, Bay Leaf supports them in recovering and inspires them to positive action.
